HONORING FAIRVOTE

HON. JAMIE RASKIN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 20, 2017

Mr. RASKIN. Mr. Speaker, since its founding in June 1992, FairVote has fought creatively all over America to advance significant voting and electoral reforms that make American democracy more responsive, more accountable, and more representative. I rise to celebrate this visionary non-partisan and non-profit organization which, I am proud to say, is headquartered in the 8th District of Maryland.

Under the exemplary leadership of its Executive Director Rob Richie and board chairs, former Congressman John B. Anderson and musician Krist Novoselic and with the energy of its youthful, talented staff, FairVote has worked with purpose and imagination to implement ranked-choice voting, proportional representation, redistricting reform, the National Popular Vote agreement and voter preregistration for teenagers nationwide. FairVote's sophisticated educational campaigns have been teaching Americans across the country that these changes are all effective tools of democracy and can help us make certain that all Americans have their voices heard and views represented.

Mr. Richie's distinguished career in public life has been devoted to democratic ideals, voting rights, and the realization of responsive and representative government. He has played a key role in implementing ranked-choice voting in over a dozen cities; in advocating the National Popular Vote plan across the country as states equal to 165 electoral votes have joined the agreement; and in promoting voter registration, voter access and voter participation.

On behalf of FairVote, Mr. Richie has appeared regularly in the media, written for leading national publications, published nine books, and addressed important groups such as the American Political Science Association and National Conference of State Legislatures. Through FairVote, Richie's luminous work has changed America's conception of how we vote, what democracy means and how we can make strong progress this century. Standing with him throughout as a colleague and inspirational reform leader in her own right has been his wife Cynthia Terrell.

As FairVote celebrates 25 years of thoughtful advocacy, I want to commend the group, its leaders and all affiliated with it for their hard work and passionate commitment not only to the principles of democratic inclusion and governance but to the difficult and urgently necessary process of electoral reform across the country. As a champion of electoral reform and the proud Representative from Maryland's 8th Congressional District, I look forward to watching the many important accomplishments still yet to come from Rob Richie and FairVote, American idealists and democratic patriots all.

HONORING THE LIFE OF NOE
HERNANDEZ

HON. VICENTE GONZALEZ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 20, 2017

Mr. GONZALEZ of Texas. Mr. Speaker, I rise today to honor the life of Weslaco native, Gunner's Mate 2nd Class Noe Hernandez, one of the seven sailors lost in the tragic collision between the U.S.S. *Fitzgerald* and the *ACX Crystal* in the Philippine Sea on June 17, 2017.

Noe attended Weslaco High School where he participated in United States Army Junior Reserve Officer Training for four years. By the time he graduated in 2009, Noe had reached the rank of cadet major and served as the program's executive officer. Following graduation, he reported to the U.S. Navy Recruit Training Command in Great Lakes, Illinois.

He was a student at the Recruit Training Command and the Center for Surface Combat Systems in Great Lakes until March 2010. He then served at the Navy Munitions Command in Sigonella, Italy, for three years and then reported to San Diego, California, for Littoral Combat Ship Training and classes at the Center for Surface Combat Systems until October 2015. Later that year, Noe and his family moved to Yokosuka, Japan, where he was stationed at Navy Force Japan and subsequently on the U.S.S. *Fitzgerald*. During his time in the U.S. Navy, Noe became an Enlisted Surface Warfare Specialist and earned the rank of Gunner's Mate 2nd Class.

Noe was a first-generation patriot who cared deeply for the United States of America and took pride in serving his country. His friends and family describe him as modest, loving, and kind and many remember him for his selflessness and unwavering faith in God.

Noe is survived by his wife Dora and his son Leon. He loved his country, and he will be sorely missed.

Mr. Speaker, I offer my sincerest condolences to Dora, Leon, the Hernandez family, friends, and loved ones. Our country has lost one of the best South Texas has to offer and I hope his family can find peace in this trying time. I am proud to commemorate the life of Gunner's Mate 2nd Class Noe Hernandez and I thank him for his service to our great nation.

CELEBRATING THE RETIREMENT
OF EILEEN SEVANO

HON. JOSH GOTTHEIMER

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 20, 2017

Mr. GOTTHEIMER. Mr. Speaker, I rise today to honor Eileen Sevano and her unwavering service as a pillar of the Teaneck Public School system for nearly thirty years. On the occasion of her retirement, I applaud Eileen for an incredible forty years of teaching, spanning from Teaneck and Englewood Cliffs, in New Jersey to Brooklyn and Chinatown in New York. During the course of her career, Eileen touched the lives of many students and helped shaped the minds of the next generation.

William Arthur Ward once said, "The mediocre teacher tells. The good teacher explains. The superior teacher demonstrates. The great teacher inspires." As a public-school teacher in elementary and middle school, Eileen inspired her students both inside and outside of the classroom. For years, Eileen coached softball in Teaneck, empowering young women on the field. For fourteen years, as Director of Camp Kookooskoos, Eileen inspired young campers through the arts, science, sports, and by exploring and nurturing the environment. Eileen helped our young people create memories that last a lifetime. By focusing on the breadth of learning, even beyond the classroom, Eileen put the best interests of her students first and helped them grow and thrive.

Generations of students, who Eileen taught, have had limitless potential. They have and continue to launch new businesses in New Jersey, find cures for diseases like cancer, create the next breakthrough in technology, and much more. With the help of a supportive teacher like Eileen, all of this has been possible.

Nobody is surprised to hear that in retirement Eileen will continue her lifetime of service by volunteering with students in her community and babysitting her granddaughters. Encouraging learning and creating a supportive environment for young people is what Eileen enjoys most.

I am lucky to know Eileen and am profoundly thankful for her lifetime of service. I commend her for being a wonderful role model to my children and to many students from across the Fifth District. I ask my colleagues to join me in recognizing Eileen's hard work, and wish her, her husband Dennis, her
